PROFILE

A most elegant and balanced Riesling from the Ruwer Valley. Blood orange, blackcurrant and a touch of vanilla on the nose. Blackcurrant again on the palate, complemented by hints of white peach and pear. The finish is long. Fruit combined with fine acidity and charming sweetness result in a delicious wine.

RATINGS

PAIRS BEAUTIFULLY WITH...

Traditional Salzburger Nockerl soufflé; vanilla sauce; finely seasoned Indian dishes; Asian soups.

VINTAGE

The year started very wet with what seemed like three months of non-stop rain.

Spring was warm and dry – ideal conditions for an early bud burst.

Continuation: In Summer weather improved day by day. Only our youngest vines were a little less happy, as their roots have not yet reached the necessary depth to get through dry periods completely unscathed.

When harvest-time came nature spoiled us with heavenly conditions and a “golden autumn”. Our fruit was outstanding at all quality and Prädikat wine levels. We were fortunate enough to select Trockenbeerenauslesen – the pinnacle of any vintage – from a number of different sites. The extra warmth resulting in exceptional levels of ripeness, flavour and minerality as well as excellent quantities.

Summary: A sun-blessed year of superlatives!
